Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Josie's heated relationship with handsome oil-tycoon Sheikh Jamal Zahid reaches new heights of lust and conflict as the two have finally shared their first kiss. Everything they think they feel about one another is getting put to the test now. Josie is questioning her sanity because she never goes for guys like the sheikh-conceited men who think they can tame her. The sheikh, meanwhile, is questioning his sanity because he could have any woman he wants, yet he wants her-a sarcastic, tough woman who isn't throwing herself at his feet. As passions build, an ex-lover closes in, and Josie feels the steam of Jamal's Arabian touch and exchanges it with her own wild tenacity. The two lovers are coming quickly to a crossroad-the end of Josie's internship at the sheikh's company-and they will face the biggest decision of their lives: to continue their strong-willed ways or to open their stubborn hearts for the sake of love.
